I have difficulty coloring pages with too much detail and find this book more relaxing because all I need to do is color for fun. I'm not an artist. I just wanted to color for fun and this book lets me do just that.

Sit back, relax, and enjoy truly easy coloring pages.If you liked "Bold and Easy Coloring Pages 1," you'll love this related book. It includes many of the same designs... but as ovals. (The ovals are bigger, but still fit nicely in this 8" x 10" book.)This book contains over 45 coloring pages, printed on one side of the page.You'll enjoy 22 unique designs, each of them repeated so you have a "second chance" to try different colors or coloring techniques.Bold lines and big spaces are ideal for low-light coloring. If you just want a simple, pleasing design to relax with... Bold and Easy coloring books are what you've been looking for.They're also perfect for art therapy, senior citizen activity groups, and

special needs classes. At the end of this book, you'll find four additional coloring designs, to see Aisling's other design styles.
