Gives step by step for each pattern. Downside is you have to print out the pattern. 0 of 0 people found the following review helpful. good for someone beginning their sewing adventure By soSewWonderful format with beautiful photos and good instructions make for a good starting point. Explains in great detail each element, how to put these together to create various dresses - could be countless garments. The book is ideal for someone who is starting out and doesn't have a pattern collection and hasn't

experimented combining them. And though the book is a very nice format, I am not inspired to make any of the dresses/combos. 9 of 10 people found the following review helpful. A Spiral Bound Treasure Trove of Gorgeous Innovation By Joanna Theil Absolutely wonderful book. While I am also a fan of the many "skater"-esque/fit-and-flare dress patterns out there (and indeed buy them allllllll up as soon as they hit the internet), this book is a breath of fresh air with fashion-forward designs, gorgeously creative styling, and basically a book full of looks that the indie pattern world has not yet seen. Not just a book with one or two new looks, a WHOLE BOOKLOAD OF NEW DESIGNS! I was amazed that one designer could come up with so much innovation! Seriously, buy this book.

Five bodices, five sleeves, five skirts boundless style. Have you ever found yourself sifting through sewing patterns, thinking "I wish I could have this top but with that skirt!"? Kristiann Boos of Victory Patterns is here to help. Maybe you're drawn to the Celine bodice with Bardot sleeves and a Meryl skirt. Or maybe the Catrina bodice is more your style. With 15 mix-and-match pattern pieces to choose from, you can explore countless custom designs. In addition to helping you design your own clothes, Kristiann guides you through all the essential sewing skills, such as installing an invisible zipper and balancing a hem. Every step is clearly detailed with photographs, illustrations and the quality instruction Victory Patterns is known for. It's time to get sewing--your personalized adventure in style awaits! Features CD-ROM of printable PDF patterns includes sizes 2 to 16.

"Boundless Style is another great modular dressmaking book. Kristiann walks you through all of the steps and techniques you need to make the perfect dress: fitting, pattern adjustments, sewing tools, and different hand sewing and machine sewing techniques." --Pattern "So much thought has been put into designing these bodices, sleeves and skirts so that any bodice will line up correctly with any skirt type and any sleeve type. It must have been an incredible labor of love. Kristiann's immense design talent and patience for precision really shine in that regard... Not only are Kristiann's instructions clear and straightforward but also incredibly thorough. Finishing techniques and expert garment sewing techniques are included all throughout." --A Happy Stitch "When you add the fact that Kristiann is a masterful stylist and designer, the result is a truly exciting and inspiring sewing book that should appeal to makers of all skill levels." --Closet Case Files
