Brenda Keyes : Brenda Keyes' Traditional Samplers before purchasing it in order to gage whether or not it would be worth my time, and all praised Brenda Keyes' Traditional Samplers:

2 of 2 people found the following review helpful. Brenda Keyes' Traditional SamplersBy dbcareyExcellent traditional samplers, and includes a variety of smaller projects using the sampler motifs. Good explanation and diagrams of a variety of stitches used in the band sampler. Includes reproduction samplers, samplers in the traditional style, and samplers to commemorate special events. Well worth the price if you love counted cross stitch!1 of 1 people found the following review helpful. but I'm pleased with my purchaseBy Lynn EngelbrechtIt wasn't quite what I was expecting from Brenda Keyes, but I'm pleased with my purchase.3 of 3 people found the following review helpful. Nice book for collectors nd stitchers.By LieveWhen you are - as I am - passionate about (traditional) samplers, stitching and

embroidery, you need to buy books from Brenda Keyes. This book gives you nice and clearly traditional patterns. You are also shown how to use them in modern arrangements. Very good technical support. I don't need to tell you how nice it is to have this book in your little sampler library. You can look at it as much as you like. Nice book in very good condition. Excellent seller : good packed and quickly send. Negative : expensive international postal postage.

Reproduce a wealth of historic, antique samplers. Reach back in time to when schoolroom motifs, intricate band samplers, and personalized handwork commemorated every occasion. Embroider samplers with alphabets and homey sayings. Stitch a Little Girls' Birth Sampler in pink-and-white or an Edwardian Boy's Birth Sampler. Give others at weddings, housewarmings, christenings, and anniversaries. Or make a colorful, springlike work with flora, birds, and other fauna. Bonus projects include pillows, bookmarks, and bags. Every one is a classic!

About the Author Brenda Keyes runs her own highly successful design business, The Sampler Company, whose range of historically-based designs sell widely throughout Europe and the USA. This was her fifth title published by David Charles, following Alphabets Samplers; Cross Stitch Country Christmas; The Sampler Motif Book; and Exquisite Miniatures. Brenda Keyes is married with two children and lives in Prestwich, Manchester.
