From Ortho Books : Building Children's Wooden Toys before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Children's Wooden Toys:

Building toys for children is both fun and rewarding. This book contains designs for making imaginative, colorful wooden toys that will delight any child. Clear step-by-step instructions and detailed plans make construction easy and enjoyable. Contains 25 imaginative toys and games, and tips and techniques for selecting wood, using tools, and finishing projects.
