Joseph William Daniele : Building miniature furniture: A treasury of classic American styles before purchasing it in order to gage whether or not it would be worth my time, and all praised Building miniature furniture: A treasury of classic American styles:

6 of 6 people found the following review helpful. For dedicated miniaturests!By Granna462010Any one who is dedicated seriously to miniatures should have a copy of this book! I make furniture for my dollhouses and have constructed a couple of my dollhouses, too! This book is extremely helpful for measurements and tools to use in construction of the furniture.0 of 0 people found the following review helpful. Four StarsBy CclarkeBook was in very good shape. I was totally satisfied
