Irene Cuzzaniti : Bunch Up!: A Step-by-Step Guide for Budding Florists before purchasing it in order to gage whether or not it would be worth my time, and all praised Bunch Up!: A Step-by-Step Guide for Budding Florists:

A richly illustrated handbook with a fun and fresh design Easy to follow, providing step-by-step instructions to help you create stunning arrangements with flowers, buds, leaves, berries, and foliage Includes detailed photographs of the process Bunch Up! A Step-by-Step Guide for Budding Florists is a manual to inspire, and to provide practical suggestions; it is an invitation to look with new eyes at nature and her loveliest works of art - flowers. Detailed illustrations, photographs taken especially for this book, and step-by-step instructions will teach you how to recognize leaves, berries, and flowers, and how to bring out their best in elegant floral creations, from tied bunches and compositions to stunning bouquets.

About the Author Immediately after her degree in Architecture of gardens and Landscaping, Irene Cuzzaniti founded then nature design and arrangement arrangement practice "Twentytrees". Her way of working is broad and versatile: it goes from designs for gardens and terraces to arrangements with flowers, to Land Art. She is the author of tutorials and articles for magazines and the curator of workshops that aim to bring people closer to nature and disseminate good environmental practices. Twentytrees is above all, a lifestyle.
