It arrived quickly and I was completely satisfied! The book has a lot of background information on the island and many excellent photographs.0 of 0 people found the following review helpful. Great BookBy dixiegregoireBook arrived quickly and is in excellent condition. Very informative. Exceeded my expectations. I would recommendation this book for any Catalina Island Pottery collector.2 of 2 people found the following review helpful. Island born and raisedBy Leslie L. PaulingI was born in Avalon MANY years ago, and raised there for many years; and I have always loved the lore of the island. I have also become a collector of pottery and turned my attention to the wonderful items that came from my hometown. Super book! L.P.

Ceramic artwares, tablewares, and tiles produced by Catalina Clay Products Company, Santa Catalina Island, California, from 1927 to 1936, are presented in over 550 color photographs. Wares displayed range from teapots and vases to pictorial murals and tile tables. A history of the company, a bibliography, and index are provided. Values are included in the captions.

About the AuthorCarole Coates is a leading expert and collector of Catalina Island pottery and tile, a historian, writer, and lecturer. Jeffrey B. Snyder is a professional photographer and writer specializing in American and British ceramics.
