They must like cats too!0 of 0 people found the following review helpful. Exactly as describedBy Laurie McConnellMother in law was happy with it, thanks!0 of 0 people found the following review helpful. Five StarsBy M. Katherine DavisExcellent patterns for cat lovers!

Curled up cozily, licking their paws, ears perked attentively, fur shining: cats, domestic or wild, make graceful,

beautiful subjects for cross-stitch. From a contented ginger tom dozing in a chair to a proud lion surveying the African plain, an imaginative range of projects captures their charm. Cross-stitch framed pictures, cushions, table linens, a footstool, fire screen, and cat toys. Among the enticing designs--a blue eyed Siamese kitten, a serval in foliage, a tiger portrait and more.

'...another corker of a book...' Quick Easy Cross Stitch; '...there's plenty to stitch in this great new book...'
