**Sue Ripsch : Classic Chain Mail Jewelry: A treasury of weaves** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Chain Mail Jewelry: A treasury of weaves:

0 of 0 people found the following review helpful. Five Stars By Bonnie J. Johnson easy to follow 1 of 1 people found the following review helpful. A very solid chainmail primer By J. McWilliams Has a number of classic weaves, and some designs that are a little more complex. Only complaint I have is that the measurements can be a little difficult if you don't have a set of metric mandrels (which is obviously not a problem if you're buying your rings pre-wound). 0 of 0 people found the following review helpful. Four Stars By Silvertwil Descriptive and helpful. Quick shipping

Chain mail is a very hot topic, and those who enjoy the process are looking for new patterns and ideas to explore. Classic Chain Mail covers the basic weaves for beginners, but also adds unusual jump rings (twisted, oval), some

crystals and beads, and unique patterns for intermediate beaders. These 35 projects create a classic, elegant look by using mostly silver, gold, and argentium jump rings. This book offers many different, unique patterns for jewelry makers who are interested in chain mail.
