Janet Evans : How To Make Jewelry With Beads: An Easy Complete Step by Step Guide (Ultimate How To Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Make Jewelry With Beads: An Easy Complete Step by Step Guide (Ultimate How To Guides):

4 of 4 people found the following review helpful. I would not recommend this bookBy Vanessa EtheredgeThe picture

on the cover was not what was showcased in the book. False advertising. I would not recommend this book. 1 of 1 people found the following review helpful. Fun, but I could get all this and more ...By MaijaFun, but I could get all this and more information by searching the internet. Not much new here but great for the price. How To Make Jewelry With Beads: An Easy Complete Step By Step Guide (Ultimate How To Guides) 10 of 11 people found the following review helpful. I've been beading for years she taught me new tricks!By Liz HesterThis wonderful and comprehensive book covers all the basics of beading and more. If you try to teach yourself beading from a book it can be very difficult, but the pictures of the pliers and wire show exactly how the wire should look as you are working and after you are finished. Brilliant! I wish I had had this book when I started! I also like how each project gives you a specified length for how much wire you will need to make a project. If you want to do a necklace for a friend, how long should it be without borrowing their neck to measure and ruin the surprise? Concrete measurements are a great touch and also helpful if you are making jewelry to sell. I've never done anything with memory wire, but after seeing the pictures and instructions, I'm going to give it a try this weekend!

Its quite easy to make your own jewelry with beads when you know how. After finishing this book not only will you be able to create unique and stunning jewelry designs with beads for yourself but for others as well. As youll discover, to make jewelry with beads, you dont need any specialized skills or knowledge in metal work or power tools. If you really want to see your hobby flourish then learning the basics skills and being enthusiastic is all you need. Plus knowing where to look for tools and supplies that arent too expensive can help as well. By the time youve finished reading this book, youll not only know where to buy what you need, but also learn certain techniques for you to produce some amazing pieces of jewelry with beads. Within this book are some techniques thatll only take a matter of minutes to master, whilst others may require you to spend a little more time practicing them to achieve the right kinds of results. From the outset, this book has been designed for those who have never created jewelry with beads before. However by the end youll be an expert in the tools of the trade, the supplies you need and some basic skills you can advance upon over time. Not only that but Ive provided you with some projects you can do to practice youre new found skills on. For anyone who hasnt tried making jewelry with beads before will find this book extremely useful. Although you may begin by deciding to just make items for friends and family. Dont be too surprised when you start getting others asking you to create pieces for them.
