A great guide into fabric printing !By MargotThe perfect book for the beginner but the advanced fabric printer, too, will find a lot of inspiration. Each of the 20 printing projects is followed by a sewing project; the printing and the sewing project descriptions include a short introduction, a list of the material needed and then very detailed step-by-step instructions

with many photos

Learn how simple hand printing techniques can transform your fabric into personalized designs with this easy fabric printing guide from talented textile designer Zeena Shah. In this beautiful yet practical project book, Zeena shows you how to create contemporary textiles through 20 easy-to-master techniques, each accompanied by a simple sewing project to put your prints on display straight away. Using easily accessible materials as diverse as vegetables, sponges, cardboard, rubber stamps, wood blocks, lino and simple silk screens, Zeena shows you how to create striking printed designs and then how to sew covetable items such as bags, table linen, cushions and pillows and more, to personalize your home interior with DIY style. Debut book from rising star Zeena Shah, whose striking designer textiles have earned her numerous TV, event and press appearances and over 300,000 Pinterest followers.
