**Bonnie J Brummett : How to Sew a Rabbit Fur Trapper Hat (Fur Crafting: A Forgotten Tradition) (Volume 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Sew a Rabbit Fur Trapper Hat (Fur Crafting: A Forgotten Tradition) (Volume 2):

2 of 2 people found the following review helpful. Excellent book, gorgeous pattern!By brianna dirksHonestly, I bought this book solely fo the pattern. I am an expeieced sewer, beginner fur sewer, but I had researched quite a bit on fur sewing and practiced a bit. I figured that I would not learn much from the book, as i I said, I just really liked the look of the hat. That being said, I am so glad that I bought this book! There were several things right off that bat that I learned that made fur sewing sooooo much easier. I won't say which, you need to buy the book! I have successfully made several hats from the pattern so far and couldn't be more pleased! My only complaint is that the pattern is not sized to print from the kindle. If you print it out directly from the book, it will not be the right size. I never figured out how to print it the right size. I ended up using graphing paper to draw it out myself, doable but not very fun!0 of 0 people found the following review helpful. DisappointedBy S. CarusoLove the concept and was so excited to receive this book. I'm an experienced sewer and also raising my own rabbits so couldn't wait to make a hat from my pelts. I ran into trouble because the pattern is based on a 1" scale and should be converted onto graph paper for correct sizing and I have no idea how to do this. Wish the book included a pattern that I could use right away instead of me having to make adjustments :(2 of 2 people found the following review helpful. Wonderful step by step instructions on how to make a ...By L. R.Wonderful step by step instructions on how to make a beautiful hat, the pictures aid in following the steps. I prefer a more rounded shape and personalizing the pattern is quite easy. I've received many compliments on the hats I've completed.

Fur Crafting: A Forgotten Tradition - How to Sew a Rabbit Fur Trapper hat takes you through all the steps of how to lay your pattern, cutting and sewing by hand, a warm fur hat that will last for years to come.
