**Lynne Green, Sue Merriam : How To Sew Vestments: Easy, Step-By-Step Instructions Including Making Your Own Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Sew Vestments: Easy, Step-By-Step Instructions Including Making Your Own Patterns:

1 of 1 people found the following review helpful. Investments in you Vestments..getting it right the first time.By L. JenningsA very helpful book for those who wish to undertake the very fulfilling projects found in creatingVestments

for your church. Easy to read and easily understood patterns for the preparation of and creation making arrays of Vestments for all the church seasons. 7 of 8 people found the following review helpful. not recommended By Old Woman in Shoe I was looking for a book to guide me through the making of traditional Roman Catholic vestments and this book focused on nous or do type vestments. It also was written by the young daughter of the seamstress and not the seamstress herself. I found it to be immature and not contain enough detailed explanation. Sorry. 0 of 1 people found the following review helpful. easy to follow patterns and instructions the type of fabric ... By jabeast to follow patterns and instructions the type of fabric and cloth that is used Also step by step to make your own patterns

This book will supply you with all the information you need to make a chasuble, stole, manipule, burse and veil in the Gothic style. If you have ever wanted to make a full vestment set, How to Sew Vestments will prove an invaluable tool, whether you plan to make and sell vestments, or just want to make a set or two for your church.

About the Author Lynne Green is owner and operator of Saint Anne's Vestments and has made hundreds of vestment sets.
