Lisa Oliver : How to Write and Publish an Ebook in 8 Hours before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Write and Publish an Ebook in 8 Hours:

If you think it is not possible - to write a book and have it published on Kindle here, or other sites all within 8 hours - well follow Lisa Oliver on a typical day in her rural home and see how she does it. Introducing the Challenge About The Author Section One: The creative process Section Two: The research process Section Three: The writing process Section Four: The editing process Section Five: Designing a cover for your book Section Six: The publishing process Section Seven: So what now? BONUS CHAPTER Useful Resources

About the Author Lisa Oliver is a journalist, freelance writer and full time author. She has written more than fifty books on a wide variety of topics and is a proud self-confessed Indie publisher. Writing from her home in rural New Zealand her books are written in a chatty style. She likes her books to be informative and easy to read. When Lisa is not writing or reading, she is spending time with her children and grandchildren while enjoying a wonderful beach lifestyle.
