From Brand: Xrx Books : Huck Lace: The Best of Weaver's (Best of Weaver's series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Huck Lace: The Best of Weaver's (Best of Weaver's series):

6 of 6 people found the following review helpful. A must if you are interested in Huck laceBy Michele G.I love this book! A great addition to my weaving library. Some of the projects look dated, but the Huck weave structure is very well explained, with lots of variations and most projects in the book are timeless. The majority of the projects are for 8 shafts or more.7 of 7 people found the following review helpful. Excellent guide to huckBy CustomerThis is the only book out there on this weave structure, making it a vital addition to your library, especially if you do a lot of lace weaves. Written for the advanced weaver, it shows a wide variety of drafts for huck, and shows you how to make your own. Good stuff!1 of 1 people found the following review helpful. If I were alone in the desert, I would love to weave

Huck like Madelyn By itsumi matsuo I bought this book under the recommendation of my weaving teacher. Instruction is good. I finished one already under her instruction in 1 week although Madelyn writes that she would finish in 6 hours!!! What a professional weaver she is!

The Best of Weaver's, Huck Lace brings together 25 articles on huck lace from Weaver's magazine—a collection that includes the top designers and teachers in the field. Articles include in-depth instruction in designing huck lace, beginning at step one on four shafts for beginners and culminating in networked huck for advanced weavers. Projects with complete instructions are illustrated with inspiring full-color photographs and range from scarves and shawls in wool and silk to tablecloths and placemats in cotton and linen to christening and wedding gowns in very fine threads. Editor Madelyn van der Hoogt refines popular features into a complete reference of value to all who weave.
