**Reiko Takenaka : Ikebana: Japanese Flower Arrangement** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ikebana: Japanese Flower Arrangement:

0 of 0 people found the following review helpful. Step-by-Step Ikebana By K. Glaes I am a newcomer to flower arranging but I want my arrangements to look professional. This book is perfect for people like me -- the author tells you exactly what you need, what tools, what equipment, what plant and accessory materials, and then shows you step-by-step where to place each piece of the arrangement. I have varied my plant materials and accessories according to what I could find in my area, and the arrangements have been stunning. A book that explains the philosophy behind Ikebana would complement this book. 0 of 0 people found the following review helpful. Ikebana By Linda Nishihara Good book and good pictures and descriptions. 0 of 0 people found the following review helpful. Great ideas and excellent source for clean simple arranging. By R. Browning My wife loves this book.

A unique approach to creating flower arrangements that are inspired by and faithful to your own ideas, with substantial advice on how to make the most of Ikebana in daily life. 92 arrangements are on this book with step-by-step photo

instructions for beginners to understand.

About the Author REIKO TAKENAKA has given many demonstrations, and has designed and arranged many displays for numerous events, including demonstrations before state guests. Now she plays an active part in domestic and international scenes of cultural exchange as an ikebana artist, in such cities as New York, San Francisco, Hong Kong and Geneva.
