Icanoe2 : Illustrated Flower Page-A-Month Desk Easel Calendar 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated Flower Page-A-Month Desk Easel Calendar 2016:

2 of 2 people found the following review helpful. Great Easel Calendar By Alyssa R. I have to have a calendar by my desk which just happens to be in our bedroom, and my husband hates the look of a big wall calendar. I needed to find something that I could write on (eg. Appointments, birthdays, bill due dates) but that could sit on top of my desk as well. This was perfect. I checked out plenty of websites and was unable to find a desk calendar with room to write in. To be honest, I picked this for the functionality more than the prints. But if you want to just view the calendar days, you don't see the drawn flowers on the opposite side. Will buy for 2017 too. 0 of 0 people found the following review helpful. Great desk calendar! By Rebecca Rakes This calendar is fantastic. The images are very pretty and you get the option of a smaller calendar with just the dates on one side or a larger grid on the other so you can write notes in. Stands well and is a great quality product. 0 of 0 people found the following review helpful. love the whole concept of

this calendar - fits my ...By Customerlove the whole concept of this calendar - fits my crowded desk beautifully with the easel design - artwork is delightful to glance at from time to time on a really tense work day - nice touch for the two different options for each month - please continue to offer these calendars, they make gifts

Make your desktop pop with vibrantly colorful flowers. From 1canoe2, the letterpress company beloved for its original stationery products, come 12 hand-drawn floral illustrations to brighten any desktop. On the front is a reference grid; on the reverse is a full-page grid for keeping track of all your important dates and events. For flower lovers and gardeners, its like receiving a year of stunning bouquets.

"[1canoe2's] homey, hand-illustrated look quickly distinguished itself from the pack..." -ThePaperChronicles.com
