From Stoney Creek Collection : In The Woods: Wildlife Cross Stitch Patterns (Book 14) before purchasing it in order to gage whether or not it would be worth my time, and all praised In The Woods: Wildlife Cross Stitch Patterns (Book 14):

1 of 1 people found the following review helpful. I really like thisBy Kindle CustomerI am a huge fan of Stoney Creek..have been for years. Their subtle shadings and use of what I cal shimmer threads are second to none. These projects would make a great quilt for someone or to throw over a couch in a cabin or a lodge setting. Four stars because it wont appeal to everyone, but the ones it will will really love it!
