Vibrant. Rich. Luscious. Dynamic. Color Passions.Color is everywhere. It's used to symbolically represent ideas and it's used to express emotions. Color can tell stories and evoke memories. In Incite 2 Color Passions, 109 artists share

their zest for color through painting, collage, encaustic, art journaling, jewelry art and more. The 133 pieces of mixed-media art showcased in the second edition of *Incite, The Best of Mixed Media* will inspire you to add new shades and hues to your palette and new techniques to your toolbox. They will ignite your color passions. "Let the joy of color push your creativity to new heights." --Mel Grunau
