7 of 7 people found the following review helpful. Good varietyBy Susan J. ArnallI didn't have clear expectations of this book. I liked the great variety of pieces, 2D and 3D. And I found inspiration in the pieces and the accompanying text. I could have used more information about the techniques and materials used for some of the work.1 of 1 people found the following review helpful. entire tale within a single piece of art. In *Incite 3 The Art of Storytelling*, 114 artists from around the globe share their stories through painting, collage, encaustic, art journaling, jewelry art and more. The 132 pieces of mixed-media art showcased in the third edition of *Incite, The Best of Mixed Media* feature stories of love and loss, triumph and defeat, reflection and revelation. In turn, they will inspire you to create unique art that tells your own story.
