If you are not a fan of embroidered Dolly Partons then you probably will want to skip this.0 of 0 people found the following review helpful. Two StarsBy Cathy LarkinNot what I expected.

This book showcases the new wave of cool craftingquirky, cutting-edge, craft-based artwork, often called Indie Craft or D.I.Y. craft. Using traditional methods such as embroidery, crochet, knitting, cross stitch, tapestry, needle felt, and plush toy making, the Indie Crafters create work that is contemporary, controversial, kitsch, ironic, humorous, and blurs the lines between art and craft.
