Cate Prato : Inside the Creative Studio: Inspiration and Ideas for Your Art and Craft Space before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside the Creative Studio: Inspiration and Ideas for Your Art and Craft Space:

1 of 1 people found the following review helpful. Nice look into the creative studio worldBy hawleyclanA nice variety of studios with some neat organization and decorating ideas. I've always enjoyed seeing other people's workspaces, and this book has many to share.1 of 1 people found the following review helpful. Great deal and a great book!By Irene WileyI was very pleased with this book. Although it was a used book it was in great condition. I was also pleased with the content and use it as inspiration and a reference on a regular basis.21 of 23 people found the following review helpful. Outstanding insight into artists studiosBy Lynn KrawczykI really love this book, it has SO much to offer! I feel like I got to visit the artists in their studios and see how they put their spaces together first hand.The thing that I liked most about this book is the variety of artists that are shown. Everyone has a style that suits

their medium and I found it really intriguing to be able to compare them side by side in the book (I'm *still* drooling over the Wendy Vecchi's collection of library card file cabinets - what an excellent and beautiful way to organize your space!) There are tips on how to organize and you can see how thrift store finds help you make a creative space for yourself that doesn't require building new construction. It's a very genuine book, shows everyday artists and professional artists side by side and that makes the book a winner in my, well, book. I plan to give it as holiday gifts, it's very inspirational!

Embrace your space! The professional organizers and editors of Studios magazine give you the tools to create your own one-of-a-kind artistic environment in this best-of compilation. Learn how to find space in your home, whittle down your stash, and get tips on maximizing your storage and organization. Experts will also show you how to repurpose furniture, recyclables, and vintage items to establish a space with function and personality. Inside the Creative Studio offers imaginative and unique solutions for every lifestyle, regardless of money, time, or space. Artists and crafters of all types--quilters, fiber artists, mixed-media artists, jewelry makers, sewists, painters, and more--share their stories, tips, and images of putting together their customized creative spaces. From spacious oases to cute and compact retreats, each studio offers countless inspirational ideas. With some of the best articles and creative inspiration from Studios magazine, Inside the Creative Studio offers everything you need to know to spend less time making your studio work and more time actually creating.

"Do you dream of having a studio of your own, a place where you can think, create, make a mess, or even teach? Anyone who answers yes will find plenty of encouragement in her book." - Bangor Daily News
