Fun kids activity By The Purista My daughter loves all of the Junzo Terada punch-out kits, but this one is different because the ornaments are meant to hang up. We put up a ribbon for the ornaments to hang from and she enjoyed assembling one each day. Figuring out how each figure is assembled seems to be good for spatial skills. 1 of 1 people found the following review helpful. PERFECT THANK YOU NOTE/LAST MINUTE GIFTS By julia I found these at a thrift shop, complete. Had to have another. They are super cool and make amazing and creative gifts. 0 of 0 people found the following review helpful. Secret Santa gift By Joanna Sims This is perfect for our Ornament Christmas Party tomorrow. My secret Santa wanted a display for year round. I believe this fits the bill perfectly.

Easy to assemble, these ten different punch-out decorations feature the beloved Junzo Terada's delightful artistry. No scissors or glue needed! Includes: butterflies, cats, monkeys, owls, and squirrels; ball, bell, burst, snowflake, and star; string and mail-ready envelopes. This set of instant ornaments makes for unique party favors, 3-D greeting cards, and year-round decor.

About the Author Junzo is a designer and artist who has had numerous solo exhibitions throughout Japan. He worked

as a graphic designer for many years before starting his own studio Comes Graphic. Junzo illustrates and designs a wide range of products including stationery, textiles, tote bags, toys, album covers, and more all of which can be found in the Comes Mart store he owns in Osaka, Japan.
