Cynthia Welsh : Intermediate Crochet Techniques and Stitches: Learn Intermediate Crochet Stitches and Techniques to Take Your Crochet Skills to the Next Level before purchasing it in order to gauge whether or not it would be worth my time, and all praised Intermediate Crochet Techniques and Stitches: Learn Intermediate Crochet

Stitches and Techniques to Take Your Crochet Skills to the Next Level:

9 of 9 people found the following review helpful. A huge help in learning how to crochet!By C. BrantThis book is a wonderful resource that is a must have for anyone learning more advanced crochet patterns. The thing I like best about this book is that the pictures in the book make it super simple to follow along. There is no guess work here, you just follow exactly what Cynthia is suggesting and you will be doing intermediate level crocheting in no time!I have always had difficulty with some of the more advanced crocheting techniques and this book just made it super simple to break through those issues. The designs in this book are wonderful and sure to be a hit!2 of 2 people found the following review helpful. GreatBy Linda B.Great for newbies and for us that tend to forget as we age!!0 of 0 people found the following review helpful. Not exactly as describedBy CyndiThe title of this book is very misleading. I do not see intermediate stitches, but directions for a magic ring (beginner), a couple of front post and back post stitches, and how to read diagrams.

Cynthia Welsh's latest book, *Intermediate Crochet Techniques and Stitches; Learn Intermediate Crochet Stitches and Techniques to Take Your Crochet Skills to the Next Level*, teaches you the skills and techniques you need to raise your crochet skills to the next level. This book is written for the beginner who is ready to take the next step in the art of crochet. More experienced crochet artists will find the techniques and stitches in this book informative and educational. In this book you will learn: How to crochet the Magic Ring or Magic Circle How to crochet an Invisible Join when working in the round How to crochet Foundation Stitches for a stretchy foundation chain How to join Foundation Stitches when working in the round How to crochet Back Loop Stitches How to crochet Front Loop Stitches How to crochet Back Post Stitches How to crochet Front Post Stitches How to crochet the Linked Double Crochet Stitch Not only do you learn new stitches but you also learn the Step Ladder pattern, how to use the spine of a chain stitch to create an even attractive edge, and Cynthia provides an easy to use formula for figuring out the number of foundation chains you need for your projects. To round out your new skills Cynthia then moves on to reading and understanding diagrams, charts, and graphs. She gives examples of each type of project used with these including Intarsia, Filet, and Tapestry crochet techniques. With clear easy to understand step by step instructions and large clear images, Cynthia teaches you new techniques and skills. This book is a complete reference you need to move beyond the beginner level. It will become a favorite resource in your crochet library.
