I like this series a lot and this year's edition reflects improvement in putting the artists and their creations into a book. The photography and selection of artists and their work has been outstanding in this series for years, this year's edition shows the influence of a great book designer. 0 of 0 people found the following review helpful. Love this book By AZBook arrived in good condition, love the content very much, it is very inspiring! Will buy it again next year.

The latest edition of the International Floral Art series Highlights the work of a new generation of floral designers A valuable resource that explores the latest trends and developments in this field With 304 pages of striking floral arrangements, International Floral Art 2016/2017 is another exceptional tribute to the wonders of floral art. An absolute favourite of many, the International Floral Art series has become an essential resource that reflects the diverse

and ever-evolving floral art scene. Over 200 international artists, both up-and-coming and well-established designers, sent in their best designs. This splendid mix of backgrounds accounts for the extraordinary diversity and the refreshing mix of arrangements in this volume. Packed with artful and inventive new designs and showcasing many contemporary styles and techniques, this is a must-have for anyone interested in floral art, from those with fingers itching to create, to those who just want to stand back and admire the incredible talents of others.
