**Interweave Editors : Interweave Presents Classic Crochet Blankets: 18 Timeless Patterns to Keep You Warm (Interweave Favorites)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Interweave Presents Classic Crochet Blankets: 18 Timeless Patterns to Keep You Warm (Interweave Favorites):

2 of 2 people found the following review helpful. 18 Crochet blankets with written and visual instructionsBy iiiireaderThis is a nice crochet book of 18 different classic blanket patterns. Most of the patterns call for worsted weight (4) yarn though four use 3 yarn and two use 2 yarn. I find that the worsted weight yarn makes up a nice warm

blanket. The instructions are written for US standards but the visual instructions work for everyone. The yarn used for the model is provided by name as well as hook size and gauge. There are optional edgings provided at the back of the book. I like that as I can choose the edge that I want (if any at all.) There are also instructions for stitches and for construction. The only odd thing that I found in the book was that it lacked instructions for a single crochet. At first, I thought that perhaps that stitch was not used; however, that is not the case. I'm sure it was simply an editing oversight. You can easily find instructions for a single crochet by doing a search on the internet. The designs are by a wide variety of crochet artists. The instructions for each design did not include a skill level. There are some that I would suggest for beginners who have had some experience (scarves and such) and others that are more advanced. All in all, a nice set of patterns for fun crocheting. 4 of 4 people found the following review helpful. it's got many more nice patterns that I might end up trying. By Rachael E. It's not weird to buy a pattern book for one pattern, is it? I hope not, because that's why I bought this pattern book. However, looking through it, it's got many more nice patterns that I might end up trying. :) 2 of 2 people found the following review helpful. Five Stars By lalala Gorgeous patterns - heirloom quality with the right textile choice.

Warm Your Home with Crocheted Coziness Practical, timeless, and easy to make, crocheted blankets can turn any house in to a home. Interweave Presents Classic Crochet Blankets shares 18 projects for crochet afghans, blankets, and throws you'll love to make and use. The clever and classic designs featured in this collection explore a variety of techniques and crochet stitches, including lovely lacework, textured cables, creative colorwork, and stash-busting granny squares. The projects are worked in several different ways: from the center out, in rows, and in crochet motifs that are joined. A helpful tutorial on crochet symbols and a mini-library of crochet edgings you can use to further customize your afghans round out this wonderful resource. Cozy up to Interweave Presents Classic Crochet Blankets!

"Crocheted afghans add beauty and style to our homes and are timeless family keepsakes that can be passed down from generation to generation. These blankets will keep you and yours cozy on chilly spring mornings and throughout the year. --Love of Crochet Magazine "Blankets are popular projects for beginner and experienced crocheters alike, and this collection provides a pleasing group of styles." --Library Journal "This book has plenty to inspire your hooks through the winter and into spring, with something for every mood." --Simply Crochet
