Easy to follow and can use the ideas over and over. Thanks.0 of 0 people found the following review helpful. Five StarsBy MyrtleSueVery neat book with lots of cool ideas for folding paper fabric to achieve various effects!0 of 0 people found the following review helpful. Iris Paper FoldingBy MavisBeing a craft person, love the book with new patterns and even has paper included.

Iris folding made easy- a great way to frame small photos, embellish bags and pages, and give focus to objects.
