**Threads Magazine, Magazine Treads : Jackets, Coats, and Suits from Threads (Threads On)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jackets, Coats, and Suits from Threads (Threads On):

1 of 1 people found the following review helpful. helpful book - and lots of photosBy MMdesignerThis book is a few decades old, but there are some fabulous instructions, articles and tips. Designer profiles, including the often-forgotten like Bonnie Cashin. There is even a pattern (that can be scaled up) from Ms. Cashin. Threads magazine is excellent, and every book they put out is great. I've referenced this book more than once, definitely a good addition to my sewing and design library.0 of 0 people found the following review helpful. One that I will use over the years.

Since its first issue in 1985, Threads magazine has been a creative forum where needlework enthusiasts, fashion professionals, and people who sew share their knowledge. Here, construction methods and techniques used in making jackets, coats, and suits by such world-famous designers as Dior, Armani, and Issey Miyake are explored.
