**Lauren Marino : Jackie and Cassini: A Fashion Love Affair** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jackie and Cassini: A Fashion Love Affair:

10 of 10 people found the following review helpful. Perfect gift for the anyone interested in fine fashions or the Jackie fan.By Judy ConnerA lovely, little book! It included many photographs I'd not seen before plus interesting bits that were new to me, too. It's so remarkle that Cassini created garments that still look stunning today - 50 years later!0 of 0 people found the following review helpful. Nice photo book that needs more contextBy F. ColeyI picked this out as a whim buy and it is enjoyable. Lovely photos of Jackie's clothes designed by Cassini and one can see how Jackie/Cassini's clothing line has influenced women for decades but I wish there were more dense text to the book. I would like more context.1 of 1 people found the following review helpful. Good discussion of JK clothing and styleBy MyyoungGood photos and good details of clothing.

As the glamorous Kennedys took the White House in 1961, Jackie appointed famed designer and family friend Oleg Cassini, as her personal Secretary of Style. From classic pillbox hats to casually elegant daywear and empire dresses, Cassini created an enduring look for the stylish Mrs. Kennedy, and she became a fashion muse for the ages. Meanwhile, women across the country enthusiastically copied her look one that endures today and that transformed Jackie into one of the most beloved style icons of all time. Jackie and Cassini showcases the fashions and details the collaborations of an extraordinary teaming of designer and muse.

About the Author Lauren Marino is a writer, collaborator, and longtime book editor and publishing executive who has worked on multiple bestsellers, including *What Would Jackie Do? An Inspired Guide to Distinctive Living*. She was founding editor and Editorial Director at Gotham Books, and worked at Broadway Books, Hyperion, Miramax Books, and HarperCollins. She has lectured and taught at the Summer Publishing Institute at the NYU School of Professional Studies, the Tennessee Williams Literary Festival, the Faulkner Words and Music Festival, and the American Society of Journalists and Authors. She lives in New York City.
