The patterns are unique, delicate and ultra-feminine. Luckily they are all charted! To make the transition, I would also recommend buying the book on translating Japanese knit and crochet symbols. Well worth the money!0 of 0 people found the following review helpful. Beautiful designs, but some of the graphics are hard ...By Dolly M.Beautiful designs, but some of the graphics are hard to understand. Every single word is in Japanese. Gr.....!The paperback book arrived before the anticipated time, and in great condition. No tears. The package was intact and the book was well protected. The only thing I would appreciate from the publisher is to see this book in English.0 of 0 people found the following review helpful. great designerBy jeannette greauxlove the book. beautiful items to make. i have another book written in English. crochet no matter the language, has drawings and pictures, easy to follow.

This Book is written in Japanese. But it's easy to understand by large diagrams. There are 27 works of crochet clothes
