**Jayne Mayhew : Jayne Netley Mayhew's Cross Stitch Flowers (Jayne Netley Mayhew's Cross Stitch)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jayne Netley Mayhew's Cross Stitch Flowers (Jayne Netley Mayhew's Cross Stitch):

6 of 6 people found the following review helpful. Exquisite floral designsBy Sam's folksI bought this book blind without having a chance to look through it first, and I'm so glad I took a chance on it. If you love to stitch flowers, this is the book for you. There's everything from simple border designs to elaborate pictures, with many suggestions for how to use the designs. The charts are a good size and easy to read. I haven't seen a better collection of floral designs for cross stitch.1 of 1 people found the following review helpful. This book is awesome!By Norma BairdJayne Netley Mayhew is an artist and a cross stitchee, great combination. So the pictures and patterns are beautiful and look very

close to the real thing. I would strongly advise cross stitchers to obtain her books.0 of 0 people found the following review helpful. Wonderful cross stitch designsBy jean ann piotrowskiFull of wonderful cross stitch designs with easy to read charts.

Jayne's new series of cross stitch pictures is a superb blend of detailed individual flower studies and stunning groupings that hold appeal for everyone. Projects range in size and complexity, from a delicate border of violets added to a pillowcase and a traditional Victorian-style bouquet made into a footstool cover, to a simple vase of cottage flowers framed as a picture and a waistcoat embroidered with twining clematis. All the project making-up instructions are included in easy-to-follow steps, and a user-friendly stitch library and techniques section ensure a finished result as perfectly beautiful as the flowers themselves.

About the AuthorJayne Netley Mayhew's style has developed over more than 20 years since her first exhibition and more than 10 years since her first book was published. Now she find working in watercolour, oil and pencil can create a painting from life that is full of the detail she loves. This is Jayne's sixth book for David Charles and the second that she has produced entirely on her own. Jayne and her husband live in the heart of Dartmoor, in Devon.
