Mickey Baskett : Jazzy Pots: Glorious Gift Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised Jazzy Pots: Glorious Gift Ideas:

4 of 4 people found the following review helpful. Maybe not glorious but interesting By P Casey This has lotsof ideas and instructions. There are lots of patterns to stencil on. It has some quirky projects like snow fairy, bird feeder, garden Angel sundial which all use several pots glued together. 5 of 5 people found the following review helpful. Summer Fun By Customer I am entering into retirement and this is one of the many crafts that I plan to do. The instructions are clear and the photos are sharp. I am looking forward to starting on many of the projects. My garden should be very colorful. 4 of 4 people found the following review helpful. Great ideas and Super fun By Kindle Customer I went to container gardening this year and this was fun book. Ideas are plentiful and I just enjoyed reading and planning. I have used some and have plans to do more. Great buy.

Mickey Baskett--writer, editor, and expert on crafts of every kind--presents creative and fun ways to transform the humble clay pot into a thing of beauty. This charming collection makes a great companion to the perennially popular
