I love him, quick wit, shows in his writings. Definitely not a boring book. Fun read, lots of information so much you must mark the pages! A book that could spark a conversation, lovely read. Pick it up anytime, and flip through, no need to start front to back here. Great reference, as is all of his books.0 of 0 people found the following review helpful. Great book, info, shipping.By CustomerI need to read this book from front to back! So much excellent info from a Master Gardener. The book was in excellent condition! Timely shipping.0 of 0 people found the following review helpful. Five StarsBy PappaThis was a gift ans she uses the information often.

In this all new collection of cures and controls for unsavory yard invaders, Jerry Baker shares simple tips and tricks to banish bugs and other critters from lawns and gardensand almost all the ingredients can be found in the average cabinet. With homemade mixes, common products, and "old-fashioned grow-how," gardeners learn how to eliminate virtually any pest problem. Fixes are arranged by yard area afflicted, so a solution can be found as soon as symptoms are seen. Other features include "This is Their Life" pest profiles, "Grandma Knew Best" folk remedies, and "Ask Jerry" answers for common troubleshooting. Whether the uninvited guests are insects, rodents, or even larger mammals such as deer, these safe, natural, do-it-yourself tonics leave yards garden-party ready.
