Julianna Avelar : Jewel Loom Inspirations: Quick and Fun Beading and Jewelry Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewel Loom Inspirations: Quick and Fun Beading and Jewelry Projects:

44 of 44 people found the following review helpful. Missing instruction for several projectsBy KeriMI am disappointed in this book and considering sending it back. What I didn't realize when looking at the preview is that there are not instructions for ALL of the pieces in this book. Some- including the one I specifically bought it for- are just "inspirations" that you are left to figure out on your own. Sorry, but I can find plenty of inspiration for free online, I paid for instructions and information about materials used.2 of 2 people found the following review helpful. Very HelpfulBy Ramona D. FissingerI had purchased the Jewel Loom but had never used a bead loom before so I found the book to be very helpful in explaining the bead weaving process and especially recommendations for what to use for warp threads versus weft. Also good ideas for finishing projects. There are a variety of projects that can advance you

through the process and build on your skills. Though this book is based on the Jewel Loom a lot of it's advice, and the projects, could apply to bead looming in general. 2 of 2 people found the following review helpful. Not so much...By PJB243No real new information, just the same basics you can get from free online sources like Pinterest. The patterns were very simple.

How will the Jewel Loom inspire you? Create fun, easy beaded bracelets, necklaces, earrings and more with the versatile Jewel Loom! Jewel Loom creator Julianna Avelar fills you in on the basics of beading on a loom, then shares fifteen of her favorite Jewel Loom projects in easy-to-follow tutorials. Get creative with silk ribbon, fringe and leather cording then experiment with beads of varying colors and shapes--the jewelry projects in this book push the boundaries of traditional beading loom designs. Make something that fits your unique style! An inspiration gallery, featuring a beaded denim jacket, a fringed lampshade and more, offers ideas on how to use the Jewel Loom for more than just jewelry. So grab your loom and start beading!

About the Author Julianna Avelar is a well-known mover and shaker in the creative crafting community. She became a household name in the creative industry with her appearances on shows such as TNN's Aleene's Creative Living, HGTV's Carol Duvall Show, Home Shopping Network, QVC and The Jewelry Television Network. Julianna is the inventor of the Jewel Loom, a portable, flexible and easy-to-use beading loom. She lives in sunny California.
