Heather Skowood : Jewelry from Found Objects before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewelry from Found Objects:

3 of 3 people found the following review helpful. Not worth the moneyBy Kindle CustomerI wish I would have taken the time to read the reviews on this one - this book is basically useless if you are looking for techniques and useful projects as a jumping off point. Most of the pictures are of recycled plastic products that no one in their right minds would ever consider wearing. And as for instructions - as another reviewer mentioned there are only 5 pages of actual instructions within 85 pages of fluff.I am so disappointed that I am considering returning it.9 of 9 people found the following review helpful. DisappointingBy periIf I had realised that this book contained so little information I would never have wasted money on it. There are only 5 pages of instructions out of a total 85 pages. The rest contains pictures of very average looking and sometimes quite bizarre jewelry. A necklace of drinking straws? I don't think so. Amateurish.3 of 5 people found the following review helpful. Absolutely Fantastic Jewelry From great artists. A must have for art lovers or Students, teachers.By Denise M. BelfioreSo happy to own this book. Beautifully illustrated. I

have been waiting for a new book on found objects. The pieces will amaze you. Good coffee table book for the art lover in your life. A must have. The artists will truly inspire you with their beautiful artwork.

Inspiring examples of turning discarded items into beautiful wearable art Large, striking photos of artistic pieces of jewelry Step-by-step drawings illustrate basic joining techniques Learn about ethical jewelry-making practices and material sources Highlights the work of 23 found-object jewelry artists from around the world

About the Author Heather Skowood has been making jewelry for 19 years and teaching jewelry making in the United States and the United Kingdom for 15 years. Her jewelry has been exhibited in galleries in the United States, England, Northern Ireland, and Spain. She has been a member of the North American Goldsmiths Society, the Association for Contemporary Jewellery, and the Manchester Jewellers Network. More information about Heather and her jewelry can be found on her website, www.heatherskowoodjewelry.com. She lives in Worcester, Massachusetts.
