Jo Verso : Jo Verso's World of Cross Stitch: 1001 Motifs, Borders and Pattern Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised Jo Verso's World of Cross Stitch: 1001 Motifs, Borders and Pattern Ideas:

0 of 0 people found the following review helpful. Great Resource for Creating Original PiecesBy CustomerThis book is fantastic particularly for beginning designers. The variety of motifs from around the world are unique and fun. Once you have mastered the simple motifs, you are free to interpret these desings with more sophisticated color patterns, backstitching, beading or more. Are these simple motifs....yes. Can you combine them to created more mature themes? In some cases, yes. There are themed motifs, unique animals from around the world, transportation, occupational,

international themes, florals, borders etc. I think this would be an excellent investment. At the current prices, who can complain? In addition, if you have the opportunity to introduce someone to cross stitch, this would be a welcome teaching aide.0 of 0 people found the following review helpful. Five StarsBy Bea WebbProduct as expected0 of 0 people found the following review helpful. world of cross stitchBy janet m. winfreyThis book has helped me discover ways and ideas to create my own cross stitch. I love this book and recommend to anyone who wants to do it their own way!

The author of "Picture it in Cross Stitch" and "Cross Stitch Cards and Keepsakes" presents more than 1000 patterns which enable readers to design their own embroideries. All the motifs, borders and patterns have been produced on a mix-and-match basis, allowing embroiderers to choose and combine those applicable to their own projects. The patterns cover such topics as home and family life, church and school activities, sporting achievements, and life on the farm and at sea. Also included are many designs from all over the world, so that souvenirs of holidays can be stitched, or gifts for family and friends abroad. Advice is given on design materials, preparing the chart, sewing materials and stitching the design. Instructions for finishing and mounting are included, together with a variety of suggestions for complete gift items.
