She has many of them and many different coloring mediums. She loves this one. She is so happy to finally get a coloring book that has KJV Bible Scriptures. She is hoping that Darlene makes more of them. A couple of tips from her for Darlene are, use heavier paper next time and make the images one sided.2 of 2 people found the following review helpful. Nice Coloring Book for Adults with ScripturesBy Billy D. FergusonI am enjoying this adult coloring book. It helps to de-stress and at the same time it is encouraging because of the scriptures.I wish the paper was a bit thicker and that the pictures were on just one side each page. I would recommend placing some sort of thin cardboard or thick paper behind the page you are coloring so that there isn't any transfer of color. (I've been using colored pencil and I just noticed that one page has some transferred color on it from working on a previous page.)Overall I recommend this coloring book. It's really nice to have and like I said earlier it is encouraging.4 of 4 people found the following review helpful. Love this coloring bookBy Tamara RhodesLove this coloring book. Love the verses and pictures you can color. Only one thing I wish is that the book was bigger size like 8 1/2. Other than that it is great and worth it.

Joyful Expressions is an adult coloring book designed to draw you closer to God, while you unwind in His

presence. Unlike many adult coloring books that encourage you to empty Your mind, Joyful Expressions provides you with scripture after scripture to fill your mind with the goodness of God and the truth of His Word. Philippians 4:8 tells us, Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Pull out your favorite pencil crayons, sit at the table, drink from His Word, and put scripture to memory while you soak in His presence.
