Having the charts for colorful designwork is handy. So many books are full of the actual garment patterns, this one is full of the design patterns making it easy for the creative knitter to find a design and adapt it to whatever knitting project they choose. It's great for the experienced knitter, however, it may not be the best or most useful for a new knitter although, it's definately one for the new knitter to have in their library as inspiration and future use.3 of 3 people found the following review helpful. Wonderful!By G B KnitterI just received

the book in the mail, and I have to say it is exactly what everyone else here is raving about. I am thrilled with the breadth of stranded and intarsia designs documented here and look forward to incorporating them in my own knitting projects. It's a super resource for any knitter. Fassett's designs would make beautiful pillows, of course, but there are infinite uses for this design treasury. 1 of 1 people found the following review helpful. Knitting Kaffe Fassett By carolyn pinney I love Kaffe Fassett knitting designs that he published in previous books so I decided that the pattern library would give me more design options. The book has patterns for all his famous sweaters broken down that one can easily follow. The patterns are less complicated than looking at the sweater in his books.

This treasury of knitting patterns by internationally recognized knitwear designer Kaffe Fassett is the first of its kind. Known for his brilliant color combinations and innovative designs, Fassett has selected some of his most exquisite pieces for inclusion here. Detailed charts guide readers who want to duplicate the patterns, and a chapter on designing your own patterns is included. - Best-selling author and designer Kaffe Fassett has been producing knitwear designs for more than 30 years. - 350 color photos, including close-up color swatches, illustrate the patterns. - A visual feast for Fassett's followers--and anyone who loves beautiful knitting.

About the Author San Francisco-born artist Kaffe Fassett is a name every quilter knows. His work has been commissioned by the British monarchy, American fashion designers, and the Royal Shakespeare Company. More than a decade ago, Fassett partnered with Rowan to create the Kaffe Fassett Collections, which debuts new fabrics each fall. He has written numerous quilt best-sellers including *Heritage Quilts*, *Kaffe Quilts Again*, *Kaffe Fassett: Dreaming in Color*, an autobiography, and *Kaffe Fassett's Quilt Romance*.
