The art pottery figurines, vases, banks, and planters made by Kay Finch in Corona del Mar, California, between 1939 and 1963, are adorable! Dogs and cats, farm and wild animals, fish, cute children and stylized adults and birds occupy her creative world. Nearly 400 color and 36 vintage photographs display her very collectible pottery and Kay Finch making them.

About the Author Mike Nickel and Cynthia Horvath are a husband and wife team who are now full-time antique dealers specializing in American Art Pottery.
