Joyce Hwang : Kirigami 2- Basic Design (Vol 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kirigami 2- Basic Design (Vol 2):

0 of 0 people found the following review helpful. great bookBy C. albaDetails on the cuttings are very simple to follow, kids love this activity and guessing what will come out once they finish.8 of 8 people found the following review helpful. Kirigami 2By A CustomerThis book is the second book in a series of eight books. Being the second book in the series this book presents 28 more patterns that build on the skills of the person who has completed the first book in the series "Kirigami 1". This book contains a variety of the following patterns: the wheel, medallion, fan, cockscomb, cloud, and the maple leaf. These patterns are fun to play with and I found the maple leaves to be incredibly beautiful.

Paper cutting made easy!
