Joyce Hwang : Kirigami 6- Classic Design before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kirigami 6- Classic Design:

0 of 0 people found the following review helpful. Three Stars By balam Needed it as a reference book. 12 of 14 people found the following review helpful. Kirigami 6 By A Customer This book is the sixth book in a series of eight. This book contains 24 patterns of classic Japanese designs. These design motifs resemble the "mon" or family crests first used for identification on the battlefield beginning in the 12th century and later becoming family crests. I have used these designs to decorate boxes and then decoupage them for my friends.

Paper cutting made easy!
