Herrschners, Inc. : Kitchen Essentials (6494) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kitchen Essentials (6494):

0 of 0 people found the following review helpful. DisappointedBy Darlene BakerI loved the projects in this booklet, especially the coffee ones, which is why I purchased this. The main project I wanted to do as a Christmas gift calls for Dark Moss Aida cloth and I cannot find it anywhere. I have been searching online and cannot find it. Very disappointed. Will have to work with another color I guess.

Use cross stitch to accent your home with coffee, tea, and flower power! From towels and table settings to magnets and a coffee cozy, you'll love the must-have accessories in Kitchen Essentials. Projects include Blooming Table Set (tulips place mat, napkin, and napkin ring), Tea Time (canister band with teacups design), Country Flowers (for kitchen towels), Flower Power Magnets (four vibrant designs), Coffee Clutch (monogrammed cup wrap), Coffee Shop Banner and Napkins, and Kitchen Quips Towels (What's Cookin'?, Master Chef, Chef On Duty, and Kitchen Closed).
