Helene Gammack : Kitchen Garden Estate: Traditional Country-House Techniques for The Modern Gardener or Smallholder (National Trust Home Garden) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kitchen Garden Estate: Traditional Country-House Techniques for The Modern Gardener or Smallholder (National Trust Home Garden):

4 of 6 people found the following review helpful. Good first book on walled gardens By J. Wilson If you already have a bunch of books on English walled kitchen gardens, you probably won't learn much new from this one. If you're just starting to read up on walled gardens this is a good place to start. I felt some subjects could have been covered more completely but it is still a pretty well done book.

Peek behind the garden door at some of Britain's grandest estates to discover the traditional crafts of growing, cooking, and self-sufficiency from past masters
