Andrea Press : Knights in Miniature II: A Complete Guide to Painting and Converting Medieval Miniatures (Modelling Manuals) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knights in Miniature II: A Complete Guide to Painting and Converting Medieval Miniatures (Modelling Manuals):

This publication is a complete guide to painting and converting medieval miniatures. It includes step by step processes

explaining the different techniques, such as applying transfers, painting with acrylics using an airbrush, and many techniques for building dioramas. The book is illustrated throughout with many photographs, making it both attractive and extremely useful for the serious modeler. REVIEWS pictures are first rate and the supporting text is well laid outground works tactics defined here are applicable to just about any type of diorama base, so the benefits go beyond just figure modeling. These two volumes come highly recommended for any modeler IPMS# 30741 12/2007
