Definitely worth it!By heatherI fell in love with Rebecca Danger's designs a few years ago and love all the monster stuff (my boys are crazy about anything monster-ish). and the way she writes is fun and informative. The patterns are easy to follow. My only problem is deciding what I want to do first. I absolutely love it.0 of 0 people found the following review helpful. About the Author Rebecca Danger of Bothell, Washington, is a knitting-pattern designer who believes knitting is a lifestyle, not just a hobby. She's got a great blog at www.rebeccadanger.typepad.com and a monster of a website at www.dangercrafts.com. She also feels quite proud that all of the knitting she did in high school and college has led to something more than just frowns and disgruntled looks from teachers.
