I learned new stitches and found a favorite 'go to' baby blanket....keep them coming! 5 of 5 people found the following review helpful. Good Book for knitters By Sunshine This book has a lot of different patterns from mittens to socks. I am looking forward to knitting the cabled slippers on page 48. This one is worth the money. 0 of 0 people found the following review helpful. Five Stars By Patricia Mattison Good patterns

Three generations of women set out on a road trip across the United States from Washington to Florida. Ruth, the grandmother, is heading for her 50th class reunion. Bethanne, the ex-daughter-in-law, has to make a major life decision and is using this trip to make up her mind. Annie, the youngest, has recently been dumped by her boyfriend and is looking for adventure. And so begins *A Turn in the Road*, the newest novel in the Blossom Street series by beloved author Debbie Macomber. *Knit Along with Debbie Macomber: A Turn in the Road*, the *Knit Along* companion book to the novel, features knitted projects inspired by the lives and projects of the characters from Debbie's compelling book.

About the Author With more than 60 million of her books in print, Debbie Macomber's compelling characters have touched hearts all over the world. As her readers know, Debbie herself is an avid knitter who enjoys drawing attention to worthy causes. These include the Warm Up America! afghan program and the FriendshipShawl.org website.
