Mlle Sophie : Knit Blankets and Throws with Mademoiselle Sophie before purchasing it in order to gage whether or not it would be worth my time, and all praised Knit Blankets and Throws with Mademoiselle Sophie:

2 of 2 people found the following review helpful. Great book for someone wanting to learn how to knit, great simple afganBy Candy AndersonHave you ever wanted to knit an afgan? Then this would be a great book to start you toward that goal. The beginning of this books covers casting on and off and basic stitches. Faire Isle and reading pattern charts are included, which are more advanced techniques that I wasn't even aware of until I had been knitting a year. Eighteen afgan patterns are provide.The author then gives you some beautiful patterns that are written out and in chart form. I really appreciate having both a chart and written directions when knitting the pattern . Several beautifully simple and some complicated afgans are pictured along with the pattern. So glad I read this book because I have been wanting to knit an afgan, but I have only been knitting a little over a year, I know with all the information the author has provided I will be able to create a nice gift.1 of 1 people found the following review helpful. and glamorous apartment set portray the knits beautifully, though my doltish knitting skill would prevent me ...By Kristine FisherKnit Blankets and Throws with Mademoiselle Sophie by Mademoiselle Sophie is a free NetGalley ebook that I read in early January.18 knit blanket patterns that range in difficulty between beginner and advanced, all presented by

Mademoiselle Sophie, the creator and webmistress behind Breaking the Wool, an online accessories purveyor. Mademoiselle Sophie's well-lit, charming, and glamorous apartment set portray the knits beautifully, though my doltish knitting skill would prevent me from using just the pattern page to assist me (compared to flipping to the front of the book to review the step-by-step process of a certain stitch). 1 of 1 people found the following review helpful. 5 stars!! By Donna Maguire Some lovely designs, easy to follow patterns and full of inspiration!

18 Throws for the Modern Home If you fell in love with Mlle. Sophie's classic designs in Stylish Knit Scarves Hats, you will be thrilled with the clean, modern look and international flair she brings to this collection of blankets and throws for the home and family. Her designs have a timeless vibe that works well in any decor; just change the yarn color to suit your favorite palette. The 18 fun-to-knit patterns are suitable for beginners but with just enough detail to keep the knitting interesting. Knit for your family room, nursery, bedroom, and more. A stylish throw makes any room more welcoming. A blanket makes a great gift, too. Send off a recent grad to college with a throw in school colors. Welcome a baby with fluffy softness. Warm a home with a new elegant afghan. This is a book that you will turn to for years to come.

If you have been knitting scarves all your knitting life and want to take your projects up a notch, or if you knit prayer shawls and want some new ideas or if you have a child or grandchild in college and want to knit them something to snuggle in, then Knit Blankets Throws with Mademoiselle Sophie is a good book for inspiration. And of course, if you need a throw or afghan in the family room, you should get this book, too..... All said, Knit Blankets Throws is a lovely little light-weight book for \$16.95, which comes to less than \$1 per pattern. It will show you colorwork, eyelet lace, stitch samples, and knitting on the bias. And best of all, the projects in this book are practical and fairly easy. Enjoy. There aren't a lot of books out there dedicated to knit blankets, but whether you're knitting a baby blanket or a throw for your couch, knit blankets can be a lot of fun to make and are definitely great to use..... If you need some good, basic patterns for blankets, whether you're giving to babies but don't want them to look too babyish or gifting a friend moving into a new house, or just decorating your own place, this book offers a good jumping off point. Use these design ideas, coupled with the yarn you already have, to create throws that will fit in easily with your life. (Sarah White) About the Author Mlle Sophie is the author of Stylish Knit Scarves Hats with Mademoiselle Sophie (978-0-8117-1607-9) and the designer of the hot Trendy Chle pattern. She is the founder of Breaking the Wool (www.breakingthewool.com), a knitting kit business with outlets in Paris and San Francisco. She grew up in France, but has lived in San Francisco and currently resides in New York City with her husband and two young children.
