This loom book contains 10 projects for every age and gender, made on a variety of round small- to large-gauge knitting looms. Medium to chunky weight yarns are used throughout the book and each hat offers a variety of sizing

options. What makes this book special? Never before has there been hat loom books with on-trend cap designs for the baby, kids and adults. We have earlap hats, basic toppers and even a whimsical animal hat we call "Fido's Hat" for your favorite kid. And for those fashionistas, they'll love Parisian Flair, and the Flapper Cloche. For the guy in your life, he'll look ruggedly handsome in Spirited Earflap hat and Modern Color with it's classic shaping meets modern colorwork. There are all these patterns and more in this compendium of loom knit projects you can make this weekend!
