Hook Needle Designs : Knit Celebrity Slouchy Beanies for the Family before purchasing it in order to gage whether or not it would be worth my time, and all praised Knit Celebrity Slouchy Beanies for the Family:

I always have to do a test band to make sure it's small enough for a head. Their "women" sizes that are supposedly 20" end up being around 25. One of my favorite patterns that I've made several hats from says that the small (which should fit me) has a starting cast on of 90 stitches! I make it with 60

instead and just manipulate the pattern as needed. So overall, it's a great book if you're an intermediate knitter and willing to take the time to make a few samples and do some math. But if not, I'd find a higher quality book elsewhere. 4 of 4 people found the following review helpful. Great fun to knit By Ms. H This pattern book is so much fun! I made the brown cover hat for my nephew in dark navy and he really likes it. I used the same pattern to make a modified black hat for myself. (Instead of knitting to 8.5", I stopped at 5.5" and then worked the crown.) It's perfect to pop on and dash out to do errands when the weather is chilly or if I'm having a bad hair day. I've received many compliments on it. The fit is so nice that I decided to see if my mother would want one. It looked good on her - so she kept my hat! I started knitting another one for myself. It's an easy and fun 2 night project. 3 of 3 people found the following review helpful. Beanie bonanza. By Mrs Kerry L Baumanis Fun patterns which have my friends and family putting in 'orders'. Love the beanies for the children, they are inspiring. I have had to knit tension squares as Australian wool is sold in ply, not in weight. For example, most beanies would be in 8ply, which could be an American 3 in some wools or a 4 in others. I am learning to negotiate the recommended wool and convert it into Australian wools.

You've seen them in magazines. You've watched them on TV. The rich and famous are wearing slouchy beanies wherever they go, and they look amazing! Now you can knit seven designs like those worn by movie stars, television personalities, and musicians. State your celebrity style in one of five high-fashion beanies for adults. If you know a toddler who loves to look adorable, make that tot a bright beanie with horizontal stripes! An older child will shine in the spotlight of your attention while wearing the two-in-one reversible beanie. All of the hats in Knit Celebrity Slouchy Beanies for the Family (Leisure Arts #75357) were designed for medium weight yarn by the talented Lisa Gentry to be great for casual days and every day--as well as for dodging the paparazzi! ity-Slouch-Beanies-for-the-Family/v/LA044/default.aspx"target="_blank"Click here for a video preview!
