Kathleen Taylor : Knit One, Felt Too: Discover the Magic of Knitted Felt with 25 Easy Patterns before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knit One, Felt Too: Discover the Magic of Knitted Felt with 25 Easy Patterns:

0 of 0 people found the following review helpful. feltingBy Ann MarieLove the book, it was for a class.0 of 0 people found the following review helpful. This just wasn't it...By SueMaybe it was my fault, but I didn't realize that you first had to knit the garment and then, afterwards felt it. I was looking for a book that would have patterns for pieces of felted wool. I have seen items made from sweaters that have been felted in the dryer before they were cut and sewn into bags, etc. It's a nice book if you want to knit the garment large and then felt it afterwards.0 of 0 people found the following review helpful. No good for digital devices.By CustomerThis book has some cute ideas, but it is not good for the Kindle app at all. The descriptions and materials are formatted well, but the pattern directions are in a picture box that is so tiny you have to select the photo then zoom in. But when you do that, it's blurry. I like to use my tablet to display directions as I knit; this isn't convenient or easy to read. I'm glad I bought this on sale, because it is basically useless.

Easy enough for beginners and exciting enough to inspire experts, felted knitting offers endless possibilities for creative crafting. The method is simple and magical knit the project large and loose, wash it in hot water, and see it

transformed into a soft and cozy garment or accessory. Kathleen Taylor encourages you to explore the possibilities of felted knitting with 25 spectacular projects that include mittens, slippers, hats, bags, stuffed animals, and more. Embellish your life with unique and stylishly comfortable creations.

From School Library Journal Adult/High School-Many of these 25 patterns will appeal to teens. The thorough instructions and colorful photographs will entice any knitter (and some would-be knitters) to pick up a pair of needles and get started. Teen-friendly projects include colorful hats, beautiful bags, snuggly slippers, and a teddy bear. The illustrated glossary of terms is a great resource for new knitters. Christine Jones, Fairfax County Public Library, VA Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist As Taylor notes, it's disconcerting to shrink a sweater in the washer, but if you knit a loose, oversize garment and then shrink it on purpose, you have turned a wool object into felt. But it's not quite as simple as that. Some yarns and some brands felt more quickly, some need a few minutes in the washer, and others require three full cycles. Taylor offers 25 projects, first showing how to knit the item, then how to get the desired look. The projects are quite inventive, from toddler slippers shaped like bunnies to wine bags decorated with grapes. Taylor's enthusiasm combined with the straightforward instructions and eye-catching color photos will entice knitters. Ilene Cooper Copyright American Library Association. All rights reserved. If you're hesitant to try the inexact art of felting, this uplifting primer and pattern book will give you confidence in no time flat. Vogue Knitting Here's a levelheaded but modern look at that beguiling new fad among knitters: felting. Interweave Knits In an engaging and encouraging voice, Kathleen Taylor covers all the basics of felting knitted projects. Interweave Knits Taylor's enthusiasm combined with the straightforward instructions and eye-catching color photos will entice knitters. Booklist Many of the projects are on-target for teens. Booklist ...25 eye-catching projects...printed in a reader-friendly, quick reference chart form, and the clear instructions make this book the best choice for those new to the craft. All the projects are suitable for beginning or intermediate knitters. Library Journal The thorough instructions and colorful photographs will entice any knitter (and some would-be knitters) to pick up a pair of needles and get started.
